Competition: 2-days

Day 1: Semi-finals for Elite and Junior 20 - and 26-inch.

2 rounds, each round with 6 sections (for all categories).

Racetime 4 hours

The top 8 riders of the semifinals will start in the finals.

The classes of 20 - and 26-inch Junior start together.

It start per minute two 20-inch and two 26-inch Juniors by starting list.

After a minute, start the next 4 starter. And so on.

The classes of 20 - and 26-inch Elite start together.

Procedure as in the Junior category.

Finale Women:

3 rounds, each round with 6 sections. Racetime 3 hours.
All Womens start at the same time from the stage.

Day 2: Finals for Elite and Junior 20 - and 26-inch.

Start Juniors 20 inch: All athletes start at the same time from the stage.

2 rounds, each round with 6 sections.

Racetime 1 hour and 45 minutes

The athletes are free to choose the order of the sections.

If paths between sections are long, driving time will be extended.

Start Juniors 26 inch: as in the 20-inch Junior category.

Start Elite: **Elite finalists start in 3-minute intervals.**

In reverse order of the semi-final results (eighth semi-finalist starts first, ..., semi-final winner starts last).

All starters must ride the sections in order; beginning with section 1, section 2, section 3, etc. The last section for all riders in each round is section 6.

2 rounds, each round with 6 sections.

Race time 1 hour and 30 minutes.

If paths between sections are long, driving time will be extended.

Setting is valid for both classes.
